Dear Shawn,

We would like to express our appreciation of the work carried out by your company on our new home in Twizel. We have now been in it for a month and we are very happy with the design and finish.

We wish to acknowledge, that when we brought issues that concerned us to your attention, they were dealt with effectively and systematically. We found all your contractors knowledgeable and conscientious about their work and products. We would also like to thank Rod Hollings for his management of the contract. We felt he took a personal interest in dealing with the contractors on our behalf.

Many people in the area have expressed an interest in our house and in Stonewood Homes. They have questioned us about our experience with your company. We have been only too happy to show them through the house, and to comment on our satisfaction with Stonewood Homes.

Thank you Shawn for building our home. We look forward to many comfortable years of enjoyment in it.

Best wishes to you and every success for your company,
